3.0 SCOPE OF WORK

3.1 GENERAL ANNUITY REQUIREMENTS

The Lottery purchases annuities from companies (contractors) offering the greatest yield per dollar invested. Such yield or interest is compounded and accumulated to produce the funding for payments to prizewinners designated by the Executive Director of the Division of Lottery. The State is the designated annuitant.

3.2 ANNUITY PROCEDURE

The State generally makes an immediate payment to the winner of most lifetime lotteries on the date of claim of the prize award. Nevertheless, this initial payment is not directly linked to the State's subsequent purchase of a life annuity contract pursuant to this RFP. The first payment by the contractor under the annuity contract purchased pursuant to this RFP will be due and payable thirteen (13) weeks from the purchase date of the annuity.

Further, the State does not make payment to a person under the age of eighteen (18) years. Payment to lottery winners less than eighteen (18) years old is deferred until the individual attains the age of eighteen (18). In the event of the death of a prizewinner under the age of eighteen (18), payment will commence on the date the prizewinner would have begun to receive payment had the prizewinner survived.

3.3 REQUIRED STANDARD & POOR'S RATING

The contractor shall maintain the Standard & Poor's Corporation claims payment rating of "AA" during the entire term of the contract. Failure to maintain a minimum claim payment rating of "AA" during the contract term may result in termination of the contract.

Should a contractor's Standard & Poor's rating be downgraded below "AA"; the contractor shall immediately report this change to the State Contract Manager and the Director.

In such an event, the Division of Purchase and Property upon receipt of a recommendation from the Lottery may immediately suspend the contract and proceed to obtain required lottery annuities from the remaining contractors or contractors from any future contract.

3.3.1 METHOD OF ENGAGEMENT

- A. When a prizewinner is certified, the State Contract Manager will contact all contractors in writing (via fax or e-mail) informing them of the age and gender of the prizewinner and request a firm, fixed cost for the specific life annuity.
- B. The contractors subsequently, within the time period specified (generally three (3) business days), will submit a firm, fixed cost for the particular prizewinner by fax to the New Jersey Lottery, 609-599-5935, Attn: State Contract Manager.
- C. The total firm, fixed cost bid for each life annuity to be paid to each specific prizewinner must not exceed the price submitted on [Attachment 5, Price Schedule](#), i.e. the proposed costs must not exceed the price bid for a person 18 years of age that was bid on Attachment 5.
- D. The contractor submitting the lowest firm, fixed cost bid for each prizewinner shall be given the Annuity Award for that specific life annuity purchase. Each contractor will receive notice from the State Contract Manager of the results for each specific life annuity award.

3.4 PURCHASE AND DELIVERY OF ANNUITY

The following items apply to the contractor engaged in accordance with Section 3.3.1 to provide an annuity for a specific prizewinner.

- A. The State will provide the contractor with a copy of the prizewinner's birth certificate together with the check containing funds to purchase the life annuity. (See Section 3.3.1.B)
- B. The State will assign an account number to the contractor which will be used only for the purpose of identifying the specific prizewinner and plan of annuity with respect to this contract.
- C. The contractor shall receive a check for the purchase price for each specific life annuity within five (5) business days of acceptance of the life annuity quote by the State of New Jersey, Division of Lottery.
- D. The funds received by the contractor shall be allocated to an accumulation account. The amount of the accumulation account shall be equal to the deposit amount plus interest from the date it is received by the contractor less the sum of the amounts paid in quarterly installments.
- E. The contractor shall make payments in accordance with an annuity consisting of a Certain Annuity Portion (Guaranteed Portion) and a Deferred Life Annuity Portion as defined in Section 2.2.
- F. Payments shall be made directly to the Treasurer, State of New Jersey.
- G. The contractor shall not contact the prizewinner or make disbursements of funds to such person.
- H. The contractor shall direct all pertinent data, correspondence, communications, inquiries and the original annuity contracts to the State Contract Manager.
- I. The Treasurer, State of New Jersey has the ability to revise the annuity investments based on the needs and requirement of the Lottery.
- J. Any award issued pursuant to this RFP is subject to approval of the terms and conditions of the annuity contract by the Office of the Attorney General, State of New Jersey.
- K. The annuity contract shall conform to New Jersey Statutes, N.J.S.A. 5:9-1, et seq., known as the "State Lottery Law."
- L. The contractor shall submit reports and certifications (i.e. Standard & Poor's Certification) as requested by the Lottery.
- M. The Lottery reserves the right to request financial or other information concerning the contractor's ability to perform at any time until the last annuity payment is made under the annuity contract.
- N. During the period of the annuity contract, no change shall be permitted in the terms, conditions and specifications unless the contractor receives written approval from the Director.

5.18 LATE DELIVERY

The contractor must immediately advise the State Contract Manager of any circumstance or event that could result in late completion of any task or subtask called for to be completed on a date certain.

If the contractor cannot meet the contract completion date for any task or subtask required to be completed by a date certain, the contractor shall be liable to the State for damages incurred per workday that such task or work remains incomplete following its contractually agreed upon completion date. Such sum shall be treated as liquidated damages and not as penalty.

Pursuant to the requirements of EO 134, the terms and conditions set forth in this section are material terms of any contract resulting from this RFP.

5.27.1 DEFINITIONS

For the purpose of this section, the following shall be defined as follows:

a) Contribution - a contribution reportable as a recipient under "The New Jersey Campaign Contributions and Expenditures Reporting Act." P.L. 1973, c. 83 (C.19:44A-1 et seq.), and implementing regulations set forth at N.J.A.C. 19:25-7 and N.J.A.C. 19:25-10.1 et seq. A separate Certification is required for each person or organization defined above as a Business Entity. - b) Prior to awarding any contract or agreement to any Business Entity, the Business Entity proposed as the intended awardee of the contract shall report all contributions the Business Entity made during the preceding four years to any political organization organized under 26 U.S.C.527 of the Internal Revenue Code that also meets the definition of a "continuing political committee" within the mean of N.J.S.A. 19:44A-3(n) and N.J.A.C. 19:25-1.7, in the form of the Disclosure attached hereto as [Appendix 4](#). A separate Disclosure is required for each person or organization defined above as a Business Entity. Upon receipt of a Notice of Intent to Award a Contract, the intended awardee shall submit to the Division, in care of the Purchase Bureau Buyer, the Disclosure(s) within five (5) business days of the State's request.

6.0 PROPOSAL EVALUATION/CONTRACT AWARD

6.1 PROPOSAL EVALUATION COMMITTEE

Bid proposals may be evaluated by an Evaluation Committee composed of members of affected departments and agencies together with representative(s) from the Purchase Bureau. On occasion, the Evaluation Committee may choose to make use of the expertise of outside consultant in an advisory role.

6.2 ORAL PRESENTATION AND/OR CLARIFICATION OF BID PROPOSAL

After the submission of bid proposals, unless requested by the State, contact with the State is limited to status inquiries only and such inquiries are only to be directed to the procurement specialist. Any further contact for information about the proposal to the buyer or any other State official connected with the solicitation will be considered an impermissible supplementation of the bidder's bid proposal.

A bidder may be required to give an oral presentation to the Evaluation Committee concerning its bid proposal. The Evaluation Committee may also require a bidder to submit written responses to questions regarding its bid proposal.

The purpose of such communication with a bidder, either through an oral presentation or a letter of clarification, is to provide an opportunity for the bidder to clarify or elaborate on its bid proposal. Original bid proposals submitted, however, cannot be supplemented, changed, or corrected in any way. No comments regarding other bid proposals are permitted. Bidders may not attend presentations made by their competitors.

It is within the Evaluation Committee's discretion whether to require a bidder to give an oral presentation or require a bidder to submit written responses to questions regarding its bid proposal. Action by the Evaluation Committee in this regard should not be construed to imply acceptance or rejection of a bid proposal. The Purchase Bureau procurement specialist will be the sole point of contact regarding any request for an oral presentation or clarification.

6.3 EVALUATION CRITERIA

Bid proposals will be reviewed for all required contents per [RFP Section 4.4](#), including Forms, Qualification Requirements and Cost Proposal. In addition, care should be taken to complete each additional attachment to be submitted with the bid proposal as noted in [Section 7.0](#). Should more than five (5) qualified bids be received, the five (5) lowest cost bidders shall be recommended for contract award.

Bid proposals submitted by insurance agents on behalf of an insurance company will be evaluated on the basis of the qualifications of the insurance company.

6.3.1 THE BIDDER'S COST PROPOSAL

For evaluation purposes, bidders will be ranked according to the total bid price in [Attachment 5](#).

Subsequent to the issuance of a Notice of Intent to Award a Contract, the Director will execute a formal Term Contract for the work under this RFP. As a precondition for final execution of a formal Term Contract, the bidder must submit the documents specified below to the Purchase Bureau. Unless the time frame is shortened by the Director for good cause or is extended by the Director at his or her discretion, these

documents must be submitted within ten (10) business days of receipt of the Notice of Intent. Failure to timely submit the documents may be deemed a material breach and may result in rescission of the Notice of Intent and rejection of the proposed contractor as non-responsive to the RFP. The proposed contractor will also be liable for damage to the State for any delay in the proposed work for the differential between its bid price and the bid price of the next highest qualified bidder and/or the costs of rebidding the contract and for any other damages under law.

Documents to be Submitted:

SUBCONTRACTOR UTILIZATION PLAN FORM

PROCEDURES FOR SMALL BUSINESS PARTICIPATION AS SUBCONTRACTORS

If the bidder intends to utilize any subcontractors during the course of the contract(s) to be awarded as a result of this Request for Proposal (RFP), the bidder will include small business subcontracting targets pursuant to NJAC 17:13-4. and Executive Order 71. Each bidder is required to make a good faith effort to meet the set-aside subcontracting targets of awarding a total of twenty-five percent (25%) of the value of the contract to New Jersey-based, New Jersey Commerce and Economic Growth Commission-registered (Commerce) small businesses, with a minimum of five (5) percent awarded to each of the three categories set forth below, and the balance of ten (10) percent spread across the three categories. **All bidders must complete the Notice of Intent to Subcontract form.** Failure to include a completed and signed *Notice of Intent to Subcontract* form will be sufficient cause to reject a bidder's proposal as non-responsive.

Pursuant to Section 3.11 of the Standard Terms and Conditions, **any bidder intending to subcontract must also complete the Subcontractor Utilization Plan (Plan).** Bidders are instructed to list ***all*** proposed subcontractors on the *Plan*. A bidder intending to subcontract must include a completed and signed *Plan* or be subject to rejection of its proposal as non-responsive.

DEFINITIONS:

"Small business" means a business that

- ☐ is independently owned and operated
- ☐ is incorporated or registered in and has its principal place of business located in the State of New Jersey.
- ☐ Has 100 or fewer full-time employees
- ☐ Has gross revenues falling in one of the following three categories:
 1. 0 to \$500,000 (Category I);
 2. \$500,001 to \$5,000,000 (Category II);
 3. \$5,000,001 to \$12,000,000 (Category III).

"Commerce-registered" means a small business that meets the requirements and definitions of "small business" and has applied for and been approved by Commerce as a small business.

PROCEDURE:

If a bidder intends to subcontract, the following actions should be taken to achieve the set-aside subcontracting goal requirements:

1. Attempt to locate eligible small businesses in Categories I, II and III appropriate to the RFP;
2. Request a listing of small businesses by Category from Commerce;
3. Record efforts to locate eligible businesses, including the names of businesses contacted and the means and results of such contacts;
4. Provide all potential subcontractors with detailed information regarding the specifications;
5. Attempt, whenever possible, to negotiate prices with potential subcontractors submitting higher than acceptable price quotes;
6. Obtain, in writing, the consent of any proposed subcontractor to use its name in response to the RFP; and,
7. Maintain adequate records documenting efforts to achieve the set-aside subcontracting goals.

Proposals should also contain the following items with the *Plan*, as applicable:

1. A copy of Commerce's proof of registration as a small business for any business proposed as a subcontractor; and,
2. Documentation of the bidder's good faith effort to meet the targets of the set-aside subcontracting requirement in sufficient detail to permit the Evaluation Committee to effectively assess the bidder's efforts to comply if the bidder has failed to attain the statutory goals.

If awarded the contract, the bidder shall notify each subcontractor listed in the *Plan*, in writing.

Note that a bidder's failure to satisfy the small business subcontracting targets or provide sufficient documentation of its good faith efforts to meet the targets may preclude award of a contract to the bidder.

Bidders seeking eligible small businesses should contact:

Office of Small Business
20 West State Street

Trenton, New Jersey 08625-0820

APPENDIX 6 – CODE OF ETHICS

NEW JERSEY STATE LOTTERY COMMISSION CODE OF ETHICS FOR VENDORS AND CONTRACTORS

Introduction

The proper functioning and financial success of the New Jersey State Lottery are vitally dependent upon the maintenance of public trust and confidence. It is essential, therefore, that the Lottery and those persons or firms who do business with it avoid all situations where proprietary or financial interests or the opportunity for financial gain could lead to favored treatment for any organization or individual. They must also avoid circumstances and conduct which may not constitute wrongdoing or a conflict of interest but might nevertheless appear questionable to the general public, thus compromising the integrity of the Lottery.

The Lottery Commission recognizes that in this complex society there will often occur situations in which overlapping or linked ownerships make total separations of interest impossible. It is also familiar with the laws governing the executive Commission on Ethical Standards, N.J.S.A. 52:13D-12 ET SEC. which, while not strictly applicable to vendors or other contracting parties, provides guidance in this general area.

Accordingly, pursuant to authority embodied in N.J.S.A. 5:9-1, ET SEC., and for good cause, the following is hereby established as the New Jersey State Lottery Code of Ethics for Vendors and Contractors.

This code of ethics shall be made part of every request for proposals (RFP) promulgated by the Lottery following the effective date of this resolution. It shall be distributed to all present and future parties who do business with the Lottery (other than as purchasers of lottery tickets, public comment and projected enactment as an agency rule pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B-1, ET SEC.

Lottery Vendors Code of Ethics

1. No lottery vendor* shall employ any person or maintain any business relationship with any person who is a Lottery Commissioner, Officer or Employee. The maintenance of a business relationship shall be deemed to include but not be limited to any interest, financial or otherwise, direct or indirect, any business transaction or professional activity involving a commissioner, officer or employee. However, it shall not be a violation of this paragraph for a Lottery Commissioner, Officer or Employee to seek future outside employment or to correspond with a lottery vendor with respect thereto, provided that (a) the director is promptly informed of such activities and (b) they are not violative of state law or such other ethical standards as may apply.**
2. No lottery vendor shall cause or influence, or attempt to cause or influence, any Lottery Commissioner, Officer or Employee to act in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said Lottery Commissioner, Officer or Employee.
3. No lottery vendor shall cause or influence, or attempt to cause or influence, any Lottery Commissioner, Officer or Employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for that lottery vendor or for any other person.
4. No lottery vendor shall offer any Lottery Commissioner, Officer or Employee any gift, favor, service or other thing of value under circumstances from which it might be reasonable inferred that such gift, service or other thing of value was given or offered for the purpose of influencing the recipient in the discharge of his official duties.
5. This code of ethics shall also apply to any licensed agent of the New Jersey State Lottery.
6. No lottery vendor shall, without the written approval of the director, disclose, directly or indirectly, any information not generally or legally available to the public concerning the affairs of the division.
7. This code is intended to augment and not replace existing administrative orders and pertinent codes of ethics. If any part of this code shall be found ineffective or inoperative, such finding shall not affect the other parts of the code.

8. This code shall take effect immediately upon adoption by the New Jersey State Lottery Commission.

* As used in this code of ethics, lottery vendor means any person, firm or corporation engaging or seeking to engage in business with the Division of State Lottery.

** Lottery Commissioners and Division Officers and Employees are covered by a separate Code of Ethics.
